### **CAMP VOLUNTEER REFERENCE FORM**

Applicant's Name: \_\_\_\_\_  
Please type or print

The person named above has applied to be a volunteer in our camp. Your critical appraisal and confidential evaluation of this person will be of great help in selecting those who want to volunteer.

It is important that you know that our camp population consists of children who have survived cancer. Because our camper population may have greater needs than well children, and because all people in our camp community are in close proximity with the campers, the experience is demanding. It is critical that our volunteers are attentive to the children; their individual needs and concerns, and demonstrate a willingness to do more than "his or her share".

It is most important for leaders of boys and girls to be of high ideals, possess integrity, get along well with others in the intimate life of camp. Our campers are between the ages of 7 and 12, and come to camp for a week. Volunteer positions commonly involve being with the children for the full length of the day. Counselors are with their children 24/7.

We would appreciate your providing confidential information about the applicant. One of the criteria for hire is the information supplied by references and statements made by the applicant. Therefore, we hope you will be quite frank, candid and objective so that we may insure safety for our campers and avoid mistakes that could result in a serious situation for us and perhaps dismissal of a volunteer.

Please complete the checklist on the next page and return it to the address below.  
Your speedy reply will be greatly appreciated.

Thank you for your response and kind assistance.

Founder, Camp Director
